Council reviews Gloucester Green market

Oxford City Council is carrying out a review of its markets at Gloucester Green with a view to improve the market for customers and stallholders

We also want to enhance Oxford as a retail destination as well as improve our economic health.

Currently the markets at Gloucester Green are:

- The weekly general market (Wednesdays)
- The weekly antiques and collectors fair (Thursdays)
- The twice-monthly farmers' market.

As part of this review, Oxford City Council has launched a public consultation to seek feedback from both users and non-users of the outside markets held at Gloucester Green.

Stallholders and other key stakeholders involved in the market are also being consulted.

To take part in the consultation and share your views, please go to www.oxford.gov.uk/consultation or contact Rachel Greenham at rgreenham@oxford.gov.uk or 01865 252709 for a hard copy consultation leaflet.
